APPENDIX 2	PUBLICATIONS AND OUTPUTS	PAGES 7 – 9
APPENDIX 3	RESEARCH FUNDING	PAGES 10 – 11
APPENDIX 4	PG RESEARCHERS	PAGE 12

---

*OVERVIEW OF KEY ROLES AND RESPONSIBILITIES*

---

**(1) Professor Public Health & Nutrition and Subject Lead (Head of Department) 2013- current date.**

**Key Responsibilities:**

Strategic and operational leadership of Department and the management and personal development of academic staff (22FTE) and resources (£2 million budget).  
 Academic quality assurance and enhancement, oversight for curriculum development and quality.  
 Marketing and Recruitment.  
 Student Experience and Satisfaction.  
 Chair, all Assessment Boards.  
 External networking to enhance Department standing.  
 Academic leadership: Post Graduate Research supervision (7 PhD students), teaching and learning as outlined here:

**Teaching, Learning and Assessment responsibilities: - MSc Public Health Nutrition:**

Lectures and Assessment: Induction, PHN Cycle, History of Public Health, Health Promotion, History and development of PHN, Food Sustainability, Principles, concepts and theory of Health Promotion and Health Improvement, Food Security, Nutrition Transition, inequalities in Health; Socio-Economic causes of under nutrition. Ecological Approaches to Public Health; Systems Approach and Comprehensive Food and Nutrition Action Plans.

Programme Design and Validation: BSc Public Health Nutrition. (2017)  
 Module leadership - MSC PHN Programme: Nutrition Policy and Promotion.  
 Module Leadership - MSc Research Methodology and Research Methods, PHN Evaluation; Participatory Action Research; Qualitative Research and Research Project Supervisor.  
 Module Leadership - PhD – Research Methodology.

2015-date	Member, University Medical Advisory Group
2014-date	Faculty STEM Ambassador
2014-2016	Faculty representative University Academic Quality and Enhancement (AQE).
2014 –date	Faculty representative Student Experience Committee
2013-date	Member Faculty Board of Studies
2013 –date	Faculty representative, University Research Committee

## (2) Reader, Head of Subject (Health Sciences), Glyndwr University, Wales, UK (2008-2013):

- 2011-2013 University Lead, North Wales Medical School.
- 2011-2013 Lead, Research Centre for Health and Wellbeing
- 2010-2013 Principle Lecturer and Subject Lead, Allied Health Sciences
- 2008–Date Member & Vice Chair, School Research Committee
- 2009 Faculty Representative, School Research Committee, (Chair)
- 2008 Coordinator Faculty *Novice Research Group (staff and PGR)*
- 2009–2013 Programme Leader Master of Public Health (MPH) Programme:  
Programme & Curriculum Design (Validation); Implementation (Programme management); Marketing and student recruitment; Pastoral care; Quality assurance; Teaching and learning (Module Leader/Tutor)
- 2009–2013 Module Lead (MPH Programme):  
Health, Social Care & Wellbeing;  
Public Health Nutrition  
European Public Health  
Dissertation/Research Project
- 2009-2010 Module Lead (MBCHB; University of Cardiff Medicine: Student Electives)  
(i) Medicalisation of Obesity and  
(ii) Discourses on Obesity and Disordered Eating: Fat Talk amongst Teenage girls
- 2008-2010 Module Lead (BSc Occupational Health Safety Environmental Management Programme):  
Occupational Health  
Biology and Physiology  
Dissertation/Research Project Module

## (3) Lecturer Public Health Nutrition, The University of Liverpool (1994-2008)

- 1994 – 2008 Core Team Member of Liverpool Masters Public Health (MPH) Programme
- 2006 – 2008 Vice Chair School Research Ethics Committee;
- 2007 – 2008 Module Coordinator: Health & Society;
- 2007 – 2008 Module Coordinator, Health services & Management Modules
- 2005 – Date International Tutor, Module Leader European Public Health & Health Promotion (Annually; European Schools Public Health: 2weeks residential)
- 2003 – 2008 Module Leader: Policy Politics & Public Health
- 2003 – 2008 Programme (PG CERT.)/Module Leader (MPH): Public Health Nutrition**
- 2003 – 2008 Module Leader: European Public Health & Health Promotion;
- 1994 – 2008 MPH Programme Dissertation Supervisor & Examiner
- 1994 – 2008 Module Lead: Public Health Nutrition, Programme and Curricular Design**
- 1995 - 1997 Module Lead: Health Promotion
- 1994 – 1998 **European Public Health & Health Promotion** (Tutor/Module Coordinator)
- 1998 – 2004 Inter-professional Health Care Education programs - Professions Allied to Medicine:  
Module Leader and Author of online: Health Promotion Module
- 1996 – 1998 **Karolinska Institute, Sweden (WHO collaborating centre for Nutrition)** - Masters in Public Health, Community Nutrition Course, (1996). Invited tutor in community nutrition and health promotion.
- 1994 - 1998 MBCHB Programme: Undergraduate medical curriculum – Module / Curriculum design, modularization and problem based learning
- 1994 – 2000 BSc Nursing and Allied Health Care Professionals. Module Leader:  
Health promotion;  
Nutrition; Public Health Principles.

---

*Consultancy - ON-LINE TEACHING AND LEARNING*

---

2018 Author, Saudi Arabia Ministry of Education, Public Health Graduate Development Programme.

2008 Author (i) Health promotion Module and (ii) PHN Module. University of Liverpool, on-line Laureate MPH (Masters of Public Health) International Programme.

2008 Author, on-line Health Promotion, BSC Nursing and Allied Health Programmes.

---
